

BUSINESS GROWTH ACCELERATION PROGRAMME

Just as the All Blacks and other elite sporting teams need coaches and a support team to elevate their natural talent, the same is true for business owners that want to excel, thrive and grow exponentially. Our 12 month Business Growth Acceleration Programme provides you with the expertise and tools to lift the performance, productivity and profitability of your business. Led by award winning business advisers, HR partners and coaches who will guide you to success.

The programme includes:

Your Strategic Roadmap

Understanding your vision, purpose and values, together we will create a one-year strategic plan to direct, support and measure your business success.

Leadership Development

Building management and leadership capability to support business growth, team cohesion, organisational engagement and business performance.

Health, Safety & Wellbeing

Assess, diagnose and improve your business health, safety and wellbeing with practical hands on support to protect your business, team and customers.

HR Essentials & Advice Line

Access best practice templates, tools and advice to protect your business. Whether you need an induction plan, a position description template or advice on a disciplinary matter, we are here to help.

Business Know How Webinars

Our webinar series covers all aspects of running a business and managing every aspect of HR, ensuring that you have ready access to current insights from growing your business through to building high performing teams.
